the riches of information at your fingertips. **Download and install Kenmore Model 11 PDF complimentary** and improve your discovering experience!

REVIEW OF KENMORE MODEL 11

- This is a feminist parable with the Neanderthals (almost all the Neanderthal characters are men) representing the male oppressors of the intellectually and emotionally more evolved female represented by the Cro-Magnon, Ayla. I giggled every time one of the Neanderthal characters "made the sign" indicating the command for sexual favors, picturing the short rhythmic fist pumping motion sometimes used by modern males to allude to intercourse. Two stars - one for the sometimes interesting anthropological details - one for the laughs.

- The first four books in the Ayla sextet are treasured memories. I have all four books and their pages are constantly re-read by myself and by my daughter and nieces. Im sure if i had a son, he would enjoy it just as much as we all did. Our books are bound together with tape and the spines are all crinkled, but the story of Ayla remains beautiful and intact. All the pain she went through and how she healed emotionally. Jondalar is a sensitive being who has become Aylas soul mate, the one she always knew she had. I wish that Jean would write the last two books so that i could see how Ayla fits in with Jondalars people, and see if her baby is a girl and what she calls it. Also whinney is a true friend who reminds you just what an important role animals play in peoples lives. I love all the attention Jean gives the book with reference to flint. herbs and clothes and mainly Feelings. I will treasure these books always. THANK YOU JEAN!
