REVIEW OF MODERN REFRIGERATION AND AIR CONDITIONING 19TH EDITION PDF

- This book is so big that it's unwieldy for reading to my kids. It seems more suited for libraries or schools where group read alouds are more common. It's a beautiful edition, I just wish they'd scaled it down a bit.
- Okay, why is this book out of print??!! Someone should request a reprint. After searching almost 2 years for a good book on John, I finally got this. Excellent is an understatement. I class it with Bauckham's classic on Jude. I have bought (and returned) Brown, Morris, Carson, Barret, Bruce and none met my needs or stimulated meditation for me. Westcott does an indept exegesis on many sections. You have to read it over and over again. There is no way reading it once would do. His depth leaves you breathless and captures your attention and mind. John 3:1-12 on Nicodemus was amazing, he provided great insight for me. His opinions may be different for some people but he is no follow the crowd and yet they are very objective views when your really sit with the Spirit of God to examine the word. John 16 on the Holy Spirit is a must read. he combines the greek with an expositional light on the scripture. It will challenge any theological student or any lay person seeking a deeper insight into the word. I used the 1958 Erdmanns edition, I would assume the newer editions haven't changed. A pity it is out of print, my advice is to buy whatever copy you can find out there whether from 1919 or 1970, it is a treasure you shouldn't miss out on.
