REVIEW OF ENGLISH LANGUAGE LEARNER ADAPTED INTERACTIVE READER ANSWERS

- This is definitely a psychological thriller. It toys with the thought of how low humans will go to escape what they thought was an even lower future. This is definitely one of the best books I have ever read.
- I think the novel "The Giver" written by Lois Lowry was quite a good one. At first, it was confusing, because it sometimes was difficult to understand the context and the structure of the community. Later it became more and

more interesting. It was interesting to see in which way people can be controlled. I would like to know how the story really ends, because there is an open end. If you are interested in Science Fiction, then you should read this novel!
