## **REVIEW OF HOW FEW REMAIN TIMELINE 191 1 HARRY TURTLEDOVE**

- This is another must-read dystopia. I don't recommend it for children, however. It is quite frightening for anyone with an imagination. Avoid the Ministry of Love whatever you do! This book warns against the manipulation of people through twisting meaning truth=deception; love=destruction. Evil remains evil no matter what it is called, but evil is most dangerous when re-named.

- The concept was good (and it certainly worked in Bayard's Poe novel). But after a half dozen chapters, I still couldn't care less about Tim. The prose tended towards the pedantic and the

supporting characters were flat.
