So, what are you awaiting? Begin your analysis journey today with digital

Syllabus Dps Megacity book downloads. With many titles and styles to pick from, the opportunities are unlimited. Happy analysis!

## **REVIEW OF SYLLABUS DPS MEGACITY**

- Once I finally found a good machine (a Sunbeam) and got comfortable with turning out successful loaves I decided to try out some bread machine cookbooks. The first book I bought ("Bread Machine Magic" by Rehberg and Conway) worked fabulously, and so I was excited to try more. I found Hensperger's "The Bread Lover's Bread Machine Cookbook" on the shelf with other bread machine books of my local bookstore. It stood out from the pack with such mouthwatering descriptions I could not wait to get it home and start trying it out. To my dismay, the most exciting sounding recipe turned out to be a dismal flop. I thought it might be a fluke and gave a few more recipes a try. I tried five recipes. Some rose up too high and then fell, others had poor texture, one turned out decently but was totally

flavorless. This book was a real disappointment. After reading some of the reviews here I wonder, maybe if I tried the right recipe I might find one I enjoyed. However, 5 out of 5 of the loaves that came from this book weren't worth eating, and I don't want to waste the ingredients on such risky prospects. I've decided to consider the \$21.95 I spent on this book as enough of a loss and I'm going to buy "More Bread Machine Magic" instead of taking another shot at this book.

- Hensperger's previous books have been gorgeous, although the recipes were complex and difficult. I was happy to see this book because I figured the recipes would finally be as friendly as the books had been. I was wrong. Many of the recipes involve difficult pre- and post- kneading processes, and use the bread machine only for the kneading. And a few of them simply did not work at all as expected. I am sure others have had much better luck than I have and I envy them because those books appeal to me so much and I hate that I can't use the recipes.
