## **REVIEW OF STREET DEFENSE TRAINING THE STREET FIGHT ACADEMY**

- From the very start I had problems with the CD. Before it would work, I had to download 2 patches. I emailed MW tech support, and by the end of the first week, had not received a reply. There are a number of features, meant to enhance, that

actually work in reverse. I would have preferred a simple thesaurus addition, rather than a crossword puzzle solver. Buy the book instead!

- The BOOK - It has everything from heartwrenching romance, swords, psychic powers, friend issues, etc. Don't wanna spoil the rest. If you like a hint of romance, adventure, and fantasy, this is for you. (Marianne Curley can write for all reading levels. And she will NEVER give you boring parts.) My Opinion - This book is amazing !! I was completely absorbed into the book. It's one of those books that are the one in a million out there that you're just so darn happy to have found. I can't believe

that it isnt making a This is one of my TOP  
big hit as it should be. favorite books.
