The unique narration style, relatable characters, and story twists make it a beneficial addition to your shelf. So, if you're seeking a captivating read, Cummins Engine Timing is definitely worth taking into consideration.

REVIEW OF CUMMINS ENGINE TIMING

- In the eyes of Louis Trevelyan, the attention that his wife gives to Colonel Osborne, a friend of her father's, looks like infidelity.

The more Louis Trevelyan voices his suspicions and demands obedience, the more his wife stubbornly protests and resents her husband's lack of trust. This is the central conflict on which Trollope builds this novel, the situation that offers so much tension, and the disagreement that takes nearly 1000 pages to resolve. Similarities to Shakespeare's "Othello" are evident, and acknowledged by Trollope himself. Trollope does not attempt to include an Iago, however; instead he provides a noxious private investigator named Bozzle who is paid by Trevelyan to observe and report instances of the wife's supposed infidelity. Not every page in the book details what Trollope calls Trevelyan's "absurd obsession". Louis and Emily Trevelyan's marriage is contrasted to many that are in the offing or being proposed or being avoided throughout the narrative. As other reviewers have mentioned, it is a welcome shift in the narrative when the scene changes to Exeter where lives Miss Stanbury, an imperious elderly lady and a hapless young curate whose search for a wife inflames deadly rivalry between two sisters. Unfolding it all is Anthony Trollope, as genial and companionable an author as any from the nineteenth century. Giving every character what we call in Australia a "fair go", he even works the miracle of making a very minor character one of the most memorable. Priscilla Stanbury, ageing, impoverished and with no prospect of marriage, speaks of her sister's betrothal. "To enjoy life as you do is, I suppose, out of the question for me. But I have a satisfaction when I get to the end of the quarter and find that there is not half-a-crown due to any one. Things get dearer and dearer but I have a comfort even in that. I have a feeling that I should like to bring myself to the straw a day." This prospect alludes to the farmer of the fable who reduced the fodder he gave his horse until at last it was surviving on a single straw a day. Then it died. Trollope's novels are wonderfully apt for reading aloud and for dramatizing. A successful TV adaptation of "He Knew He Was Right", directed by Tom Vaughan, appeared in 2004.

- As is or all is "betwixt a wink and a wake"
