taken into consideration in the past.

REVIEW OF GOODMAN E GILMAN LE BASI FARMACOLOGICHE DELLA TERAPIA

- I am a student of Jerry Braza's and have taken several classes with him; it was his Healthy Relationships class that made me want to read this book. This book was everything I thought it would be. It is simple, straightforward, but not lacking in insight -

which is very much the way Jerry lives his life. This book gives simple activities to do in order to relieve stress and to be mindful of staying in the now. Gold Star!

- I read this after our trip to Russia, so some of the locations in the book were ones we had seen and been in. The book made those places come alive. For some reason, Russian history doesn't get much time in History class. This book filled in a lot of gaps in my history education. If you are a history buff, this book is for you.
