REVIEW OF ABET PREVIOUS EXAM PAPERS 1518

- I'm 16 and have read novels that are one thousand pages long, but I read almost anything Star Wars. And I'm glad I did. This was a terrific book, and even though I read it in a day, I enjoyed it. The characters are interesting, and I liked the interaction between Tash and Luke Skywalker.

- Born and raised in the Ozarks between the Missouri and Arkansas rivers; we didn't think we would find anything in this ocean cookbook that would excite us. Just goes to prove that hillbillies are sometimes (but not often) wrong. For instance last week the cookbook was used to prepare some great "tailgate" dishes; our guests were impressed. But we had to tell the truth, its Annie's book. Two guests used our computer to log on and order the book. Along with barbbque the book's dishes appear in a hillbilly's dreams.
