REVIEW OF APPENDIX A BCA

- I really enjoyed this book. I really identified with Ashley in her "starting over" phase in the book. Her character showed a lot of determination despite her surroundings. Ashley discovered that with age the dream is still there and attainable. I found myself cheering for her through out the book!!

- My 4 year old read this book at her daycare and came home asking for it. It is a great book because it is also a song, very appealing to the 4 year old group and makes it easier for her to remember when she is "reading" the book. The illustrations are very clever and very cute. A book that parents and children alike can read many times without getting tired. I highly recommend!
