### **REVIEW OF LISBON WAR IN THE SHADOWS OF THE CITY OF LIGHT 1939 1945**

- I read this book at least once a year! It is so easy to get lost in the pages and Margaret Mitchell does an amazing job making you feel like you're actually there! Love it!
- No, I had never read it. My knowledge of it came from the movie. A dear family member was re-reading it, and when I said I never had, she told me it was a must read. I didn't see why, but on her advice, I bought it and read, cover to cover. It is so much better than just the movie. The history of the South and the changes to life the war brought are incredible. Yes, I agree, it is a must read.
