REVIEW OF THE VAJRAKILAYA SADHANA THE VAJRAYANA RESEARCH

RESOURCE

- The Giver by Louis Lowery is a great book. The author brings the characters to life, and it feels as if you are really in Jonas's world. It is a page turner, so I recommend everyone to read it!!
- The Giver is really good. I don't normally read this type of book (science fiction) but when I read this right off I knew I'd like it. We read this book for school (8th grade) and it seems like almost everyone in my class enjoyed it, boys and girls both. It also brought up many good discussions. I recommend this book to adults and children in about 6th grade, so you will have a great understanding. Teachers... let your class read this! There was only one thing I didn't like much... the ending, because it left me wondering what happened.
