REVIEW OF AP HUMAN GEOGRAPHY CHAPTER 10 TEST BANK

- Okay, folks, incase you have no idea what NINE LIVES is all about, I'll sum it up for you: Through reincanation, Garfield well lead nine seperate lives! That's right. These are a collection of short stories that tell who he was, what he was, and what he well be in his former lives, present life, and future life. It's an interesting book for Garfield fans (Just because I'm a 21st century mouse, that doesn't mean I don't like the tubby tabby like the rest of you), butlets face

it, each story has nothing to do with each other. That's why I'm forced to write seperate reviews on each of the ten stories... IN THE BEGINNING: B This short story takes a look at how God created the cat. Hip and funny. CAVE CAT: A This one portrays Garfield as the first cat ever. Hilarious! THE VIKINGS: B- It's good, but look at the time frame. According to this, these vikings liked in 1984. But so did Garfield! How is this possible? BABES & BULLETS: A+ The best story in the boo! k! Clever, funny, and mysterious. EXTERMINATORS: A+ The funniest story in the book. I love the old lady. LAB ANIMAL: F The ending ruined the story. GARDEN: A- Original, with brilliant art PRIMAL SELF: C An otherwise good story, it's just too short. GARFIELD: A+ Funny! And you just got

to love the ending. SPACE CAT: A+ Another hilarious story with another great ending!

- I bought this book, along with electronic projector that displays the

different phases of the moon, for our little grandson who just loves the moon. The projected moon on his bedroom wall, as well as the book for a bedtime story, have been a big hit and are fast becoming part of his night time routine.
