REVIEW OF SHIPBUILDING MARKET OVERVIEW CLARKSONS

- I thought it was well written but rather lengthy. The author has an excellent vocabulary. I'm reading it again. The story came alive for me.
- I first read Gone With the Wind as a freshman in high school, and now 6 years later it's still one of my favorites. I have always loved the movie version, and the book is even better. Mitchell creates wonderful characters--you may not LIKE all of them, but they're amazing nonetheless. GWTW is just amazing southern lit...it may seem long, but trust me it flies by. If you like the movie then definitely read the book--you won't be disappointed.
