REVIEW OF THINGS WE HIDE FROM THE LIGHT KNOCKEMOUT SERIES 2 BY LUCY SCORE

- The Stranger is Albert Camus' most accessible book. Camus, the existentialist, gives us the portrayal of a man (Meursault) that on the outside appears to be a man of indifference. But as one delves deeper into the book, Meursault's life seems to come a bit more into focus. One cannot fully understand Meursault, but one does tend to understand why he is the way he is: deep, intricate, personal, reflective. Meursault will at times amuse you, at times anger you, at times cause you to lose all care for him, only to gain it back on the next page. That's a credit to Camus' genius. And in the end you may just begin to wonder who "the stranger" really is. Meursault? Society? Yourself? "...I had only to wish that there be a large crowd of spectators the day of my execution and that they greet me with cries of hate."

- while i throughly enjoyed the entire series, this was my favorite. shelly keeps me laughing out loud and looking forward to her next book.
