REVIEW OF CHAPTER 18 ORIGINS OF THE COLD WAR ANSWER KEY

- The idea of isolation from society is one that Albert Camus truly made his own throughout his distinguished career, particularly in this novel 'The Stranger'. It is difficult to describe the full depth of a Camus character but it must at least be attempted. What is distinctive of his characters' isolation, including that of Meursault, is that it is always a voluntary isolation. The character is not isolated because he has been rejected by society but because he has nothing but contempt for that which surrounds him. Meursault dislikes much of what surrounds him but this is not to say that he is some sort of loner. It is testament to Camus' ability as a writer that the reader is drawn to, rather than repelled by such a character. Meursault is essentially a man who refuses to play the game and refuses to do what society dictates. He pays a heavy price for his refusal to adhere to social conventions, however there are no heroic pretensions in what Meursault does. This character is very representative of Camus' writing and perhaps even of Camus himself and the depiction of his attitudes, actions and existence makes a fascinating and fantastic novel.

- Loved It! Best Series and It just keeps getting better! This is a series that I read over and over again!
