## **REVIEW OF AREMA MANUAL FOR RAILWAY ENGINEERING CHAPTER 16**

- The story, *Of Mice & Men* was a laid back but humorous. I thought it was a great book. The characters all were individual. They all had their own distinct personalities. Lennie was my favorite character. He was a big guy that wasn't to bright. Actually I felt bad for him. I also felt bad for the mice he killed. Well the story is mostly about two guys working on a ranch, but dream of having a place of their own. Lennie who was strong but had a mind of his own, wanted rabbits. He couldn't get off the subject bout those rabbits. I really liked the book but the one thing I didn't like was how it ended. I was hoping that they would get Lennie's dream about having a place of their own and livin off the fat of the lan.

- "Of Mice and Men" is a novel that shows what true friendship is. The love and compassion that George held for Lennie was hearwarming. George fulfilled his obligation toward Lennie from beginning to end."
