A daimyo of the Neon Court is dead and all fingers point towards their ancient enemy - The Tribe. And when magicians go to war, everyone loses. But Matthew Swift has his own concerns. He has been summoned abruptly, body and soul, to a burning tower and to the dead body of Oda, warrior of The Order and known associate of Swift. There's a hole in her heart and the symbol of the Midnight Mayor drawn in her own blood. Except, she is still walking and talking and has a nasty habit of saying 'we' when she means 'I.' Now, Swift faces the longest night of his life. Lady Neon herself is coming to London and the Tribe is ready to fight. Strange things stalk this night: a

rumored 'chosen one,' a monster that burns out the eyes of its enemies, and a walking dead woman. Swift must stop a war, protect his city, and save his friend - if she'll stop trying to kill him long enough for him to try.

From one of the most powerful writers in modern fiction comes a dystopian vision of a world where money reigns supreme, and nothing is so precious that it can't be bought.... The penalty for Dani Cumali's murder: £84,000. Theo works in the Criminal Audit Office. He assesses each crime that crosses his desk and makes sure the correct debt to society is paid in full. These days, there's no need to go to prison - provided that you can afford to pay the penalty for the crime you've committed. If you're rich enough, you can get away with murder. But Dani's murder is different. When Theo finds her lifeless body, and a hired killer standing over her and calmly calling the police to confess, he can't let her death become just an entry on a balance sheet. Someone is responsible. And Theo is going to find them and make them pay. Perfect for fans of speculative fiction such as *The Handmaid's Tale* and *Never Let Me Go*, Claire North's moving and unnerving new novel will resonate with readers around the world. Previous books by Claire North: *The First Fifteen Lives of Harry August* *Touch* *The Sudden Appearance of Hope* *The End of the Day* By the same author, writing as Kate Griffin: *A Madness of Angels* *The Midnight Mayor* *The Neon Court* *The Minority Council* *The Glass God* *Stray Souls*

In *Madness of Angels*, F.E. Smith has achieved a remarkable feat by employing prose-stories, allegories and

poetry to reveal the nature of economic and political oppression as well as corruption within religious and academic institutions. He presents these ideas in a manner which renders them acceptable and easily understood. F. E. Smith demonstrates with clarity that he possesses powerful insight as both a social and religious critic and observer. The reader can readily grasp the complete spectrum of inspiration and creativity pouring from the author's heart and mind. Written with passion, compassion and courage, *Madness of Angels* will indubitably have an unshakable cogent place in the minds and hearts of those who read it. F. E. Smith is a graduate of many British universities including Oxbridge and holds degrees in Archaeology, Education, Social Science, Theology and History. *Madness of Angels* is a modern day allegory at the same time clothed in the garb of a radical political manifesto. The language is quite carefully constructed. The form and style retains some degree of concinnity. However, it is certainly not to entertain but to formulate a context within which the writer can express opinions about the fraudulent ruling class, the state and the system of political governance. It begins by intimating the deleterious effects of racism and capitalist oppression, which are well expressed in *Shosholozza*, *An Address to Western Society* and *Prayer for the Dispossessed*. In *Prayer for the Dispossessed* the un-named prophet speaks out against oppression...

REVIEW OF A MADNESS OF ANGELS

- This book is so good, my teacher didn't want me to read it because we were going to read it as a class! But I secretly read it (she caught me reading it at school but just laughed) and it was so good! You should read this and its companions, too! Deserves its medal!

- The Giver is a book about a 11 year old boy, who lives in a "perfect world". Soon he finds out that the world wasn't always perfect because he is the curent Reciver of Memories who is given all the memories of the people before the "perfect world". I enjoyed this book very much, but I didn't like how it left off in the end. I would definitely recomend it to this reader!
