REVIEW OF REINSURANCE EXPLAINED

- It is a great beginning for a fantastically young author. He has opened his own new world from which to develop sagas and epics for years to come. It should be interesting to watch this young man develop as an author. It's nice to see quite a bit of originality as well.

- I loved this book because I like fantasy and the characters were great. Eragon was cool, kind, friendly and vengeful. Murtagh was my second favorite character because he helps to save Eragon and he is trying to change his family's ways to make them not evil. I can't wait for the next book, Eldest, the second one in the trilogy!
