REVIEW OF THE VAGINA MONOLOGUES MIT

- Veronica Overton cannot believe she has come under the spell of the man who has almost destroyed her professional integrity. When Schuyler Henderson of Advocates for the Child , who is also an

engineer, takes her to court because a young girl Veronica's agency has placed goes astray, she is determined to clear her name and the reputation of the Agency. But when they look into each other's eyes, time stands still. Again, Ms. Forster has created a tale enveloping romantic chemistry, compelling secondary characters, and twist and turns in a plot that intrigues. A definite pleaser.

- First, I would like to say flat out-- yes, Max talks about husteling every possible comp you can get and sometimes the methods he mentions can be demeaning or whatever (pardon my terrible spelling!). But this is the definitive book an all aspects of comps, from sittting

down at a slot machine right as the cocktail waitress walks by to full RFB (room, food and beverage), and as such, it covers ALL aspects. You choose what you want to do, but don't bite the book because you don't like some methods. Secondly, I would like to inform all the people who rate this book low and talk about Max's strategies eventually losing your bank and this that and the other thing. Knowing about blackjack and standard deviation and the correct odds will help you there. If you DO play basic strategy blackjack, your comps will, ON AVERAGE, pay for your blackjack play and then some. Don't tell the people who are browsing this book that Max doesn't know about casinos. This is

MAX RUBIN. Max is a very knowledgable man, and the host of teh infamous Blackjack Ball, where all the best of the best BJ players get together and brag to eachother about how great they all are. I can assure you Max knows what he is talking about. If you

are looking to make money, learn to count cards, or better yet, get a real job. If you are looking to get the most bang for your buck, get free stuff, and maybe even have a Vegas vacation pay for itself, GET THIS BOOK. Max is the man!
