REVIEW OF TEST BANK MANAGERIAL ECONOMICS SALVATORE 7TH EDITION

- I don't know which book Kirkus was reading, but it couldn't have been this one. I didn't buy it because of the review but when I got it for Christmas was I surprised! I started reading it that night and couldn't put it down. The writing is tight, descriptive, entertaining...what a bunch of idiots climbing with Kocour! I'm going to buy it for my several of my friends and would recommend this book to anyone... ..
- Ebook came in a timely fashion! It was an interesting read! Will do business with seller again! Thank you again!
