REVIEW OF HOLT ALGEBRA 2 QUIZ FORM B ANSWERS PSLIFE

- My 11 year old read this at school and got me to read this excellent book. A strong young girl shows bravery and strength of character; great read.
- Are you looking for a book about curious girls and a mentally disturbed mother? Well

probably not, but I know of a book that is about all of those things but is also very interesting. It is called So B. It by Sarah Weeks. The main characters are Heidi, Bernadette (or Dette), and Mama. My favorite character is Heidi because she is really curious and adventurous. I have a Text-to-Self connection to this book. Heidi and I both have got nice neighbors. I especially liked the book because it is like no other book I have ever read. The characters are ones that I normally wouldn't read about. If I could change anything about this book, I wouldn't because it is already a great book. I recommend this book for girls in 4th grade and up.
