## REVIEW OF BUILDBOX 2 X GAME DEVELOPMENT

- I have been reading this book annually since the early 1970s, and it never ceases to entertain me. The illustrations are nice. This is very well done.
- This is the most heartwarming story EVER written about Yuletide, the story is truly magical. It captures the very essence of what Christmas is all about. I like to start reading it every December, just to get into that "Christmassy" mood, it's a lot more effective than "Bottled" Christmas spirits. But let us not forget as the author is at pains to point out; Marley was dead,.... to begin with. ~~~~ "I am the Ghost of Christmas Past." "Long Past?" inquired Scrooge: observant of its dwarfish stature. "No. Your past." (One of many simple but great lines, that stay with you when you've finished.) Reading this story certainly changed my life, and saved me the need for three visits! "God bless us everyone".
