## REVIEW OF DYNAMICS OF ENTREPRENEURSHIP

• Till you read Steves book the title is wrong. You assume it should be about you and your mate. The truth is it should be called the life handbook and given to every one before the get out of grade school. Only after you read it do you figure out that. The first great relationship has to be with yourself. Even though the book is an easy read I don't want to pass my copy around. I want to buy a case of them and give it to all my family, friends, and

coworkers. It should be reread every month.

- Thomas Hardy has written a surprisingly modern novel. I love all his classic stories. I can never decide which one is my favorite. His characters, his plots and his settings are very realistic.
