Remember, checking out testimonials can aid you make educated decisions concerning what to check out next and can subject you to brand-new authors and styles you might not have taken into consideration previously.

REVIEW OF MACBETH STUDENT PAPERS

- I love "Good Night Moon" (and can recite it by heart). But "Seven Little Postmen" (and the recently re-issued "Mr. Dog," among others) reveals more about Margaret Wise Brown's genius as a writer than "a quiet old lady whispering 'hush.'"Originally written in the late 1940's, "Seven Little Postmen" tracks the course of a letter from a little boy in the city to his grandmother in the country through all the stages (way back then) of the mail and all the different types of jolly "postmen" who process the letter from pick-up to rural free delivery back in the days before automation, before "postal employee" became synonymous with "homicidal gun-nut." Ms. Brown's humorous and poetic descriptions of the various jobs (who can remember when speeding trains used to "hook" mailbags from stands beside the tracks so they wouldn't have to stop?) are perfectly matched with Tibor Gergely's (who also illustrated "Scuffy the Tugboat" and "The Taxi that Hurried") colorful and charming illustrations.Modern-day children will be intrigued by a delightful story with just the right amount of excitement and "mystery" (what's in the letter?) and enchanted by pictures of a more sedate and innocent time in America -- before e-mail, Fed Ex and text messaging took the anticipation and fun out of letters - both writing and receiving. Grown-ups, especially earlier Baby Boomers now becoming grandparents, who read this when they themselves were children, will rediscover a timeless classic.

- I resolved to read Uncle Tom's Cabin in my early days of eighth grade. I just finished it about half an hour ago and I don't think the impression it left on me will ever change. Being in a stage of adolescence, if ever-so early, I've got problems. And helping me through these is a person who constantly tries to help me look on the positive side and be thankful for what makes up my life. This book was an ideal aid. Here Harriet Beecher Stowe has put together a tale which is assumed to be based on stories of actual lives tortured by the cruelty of slavery. Legend has it that Abraham Lincoln referred to Mrs. Stowe as the "little lady who started the big war" upon meeting her, and the pages in this book are credible for having done so. Here a true view is given into the darkness of an American reality. Here we have to ask ourselves what we do to others directly and what we do by not doing anything in their defense. Here we have to ask ourselves, "where are we going?" For this nation, alive over a hundred years at the time, was betraying the very basis for which it was founded. And the life of Uncle Tom exposes it's cruelties clearly, as unwanted as they are. Tom is a strong faithd and God fearing man, a credit to man. What he endured has made my eyes moist and my mind churn over my values. But what sustained him was his faith in God. Upon reading this book, think about the nature of humans, and what will happen on God's day of judgement.
