REVIEW OF BEYOND BELIEF TO CONVICTIONS

- I give this a high rating because it's well written, and weaves a whole bunch of interesting facts and funny situations into the story.I'd especially recommend this book to young adults (15 to 25), who will probably find the settings and adventure aspects very appealing.
- A great and insightful resource for everyone - we all 'manage' others in our lives, especially moms and dads! Great management advice, grab a copy and pass it around work.
