REVIEW OF PERSONAL FINANCE VIRTUAL BUSINESS INVESTING QUIZ ANSWERS

- When 13 dwarves and an old wizard

sweep poor Mr. Bilbo Baggins away to seek their long lost treasure, the adventure begins. I've read this and the Lord of the Rings (which I also recommend) and I'm convinced Tolkien must be one of the best writers of all time. Read this!!

- When I started reading this book, I was interested: a wizard, 13 dwarfs and a passive home-person hobbit set on an adventure to kill a dragon and take back what was robbed by a greedy dragon. I thought this was a typical fantasy novel with some adventures, good vs. bad encounters, and a happy ending where the party succeeded in killing the dragon and restored the city to its old glory. Boy, was I sure wrong! The characters were round, possessed both good qualities and flaws (for example, the

dwarfs were excessively greedy, and there were serious problems because of that) and the group changed by each new experience acquired. The story was mysterious, suspenseful, funny, and dark, and the adventures were

fascinating. The ending (*grin*) was totally different from what I imagined. All this is just a small portion of what's stored in this novel for anyone interested in reading this. =)
