REVIEW OF CHAPTER 6 STUDY GUIDE THE PERIODIC TABLE AND LAW ANSWERS

- This book is VERY poor condition. The pages are uneven and look like they were cut when the blade needed changing or sharpening or cut with too many at once. I am returning it to Amazon, the only good thing is that I bought it with Amazon, they are paying for return shipping. I have to say that I am very pleased with Amazon's CS. I am a frequent

customer and will
continue to be.

- It was very
informative! It is good
to have a book like this

,that way if you ever
buy another home,you
will know what is going
on when they inspect
your home!
