With this info, you prepare to start amazing literary adventures through the simple act of downloading Ross Bertram Bertram On Sleight Of Hand. Happy reading!

## REVIEW OF ROSS BERTRAM BERTRAM ON SLEIGHT OF HAND

- A combination of travelogue, autobiography, and retelling of Greek history: The first 117 pages of the 195 give the story of Ulysses from leaving Ithaca to returning. The rest is a set of reminiscences that draw a parallel by describing journeys from the Ionian Islands to Turkey and back, culminating in Cavafy's wonderful poem about life as a journey to Ithaca. I think I understood the unifying theme but the book is rather clumsily constructed (as are the Iliad and Odyssey) and the two halves do not form an unity. There are snippets of excellent writing that bring traveling in Greece vividly to life, such as: "Satisfied with a day's work scorching the earth, the sun relaxes on the horizon. The light fades, replaced by a soft blue-gray glow. We pull into a restaurant with simple wooden tables under a canopy overlooking the water." On the other hand some chunks of exposition of the obvious are awkwardly crammed in, such as: "Many centuries after Ulysses canals were dug across both stretches of land. Today the Corinthian canal connects its gulf to the Aegean Sea. The Suez Canal connects the Eastern Mediterranean to the Indian Ocean." The descriptions of the less well-known Ionian Islands were good. It might be of interest if you're planning a trip there. It's also worth buying if you've never read Cavafy.

- Guns For General Washington is a great book because of the action and advenerture. Henry Knox, a patroit who goes to Fort Ticonderoga, a fort in New York that has at least 183 cannons, lead for bullets, flint for flintlock muskets. There were also mortars, a type of gun, howitzers, a another type of gun, and a cohorns, another type of gun. They, Henry and his brother and some others who help out, have to go 300 miles to Fort Ticonderoga from Boston and 300 miles back to Boston from Fort Ticonderoga. This takes place in Massachusetts and New York in 1775 and 1776. The conflict is that General Washington is fighting a british general ,General Howe, with no aritillery like cannons and gunpowder. This book has very good action and advenerture
