REVIEW OF ITI QUESTION PAPER EMPLOYABILITY SKILL

- I loved Nicoletta and her gift of healing. And I loved Giovanni and his gift of reading minds and feeling other people's feeling and speaking directly into her head. And there was a lot of mystery in this book. At times it was really scary, especially when the bird came and I had the feeling that something terrible is going to happen... again. The connection and chemistry between the main characters was amazing, but I would love to see at least a part of the story from the hero's point of view. This really was an interesting, complex and satisfying read :)

- First,it's a juicy love story. Second, it's an interesting off-beat tour of Italy. Third, and most important to me, it reveals once and for all that haute cuisine is not an exclusive property of the French. Italian cooking is tremendously varied and rich, and this book makes that clear. Read the "Autobiography of Benvenuto Cellini" and you'll understand that the French court learned to cook from the Italians.
