People are fascinated with Revelation and end times. Unfortunately, Revelation studies and Bible prophecy books still remain a puzzle for many Christians. Most end time books are either unnecessarily confusing or overly

simplistic in their conclusions. The End is a study of Revelation that presents a clear, concise, and thorough biblical analysis of the major end time events without simplistic explanations or wordy, seminarian language. The End is more than a commentary on Revelation and end time prophecies. It offers fresh insights and applications on these subjects for your daily life.

Understand the connection between the Old Testament and the end times, what to expect during the last days, and how to stand firm in Christ in the face of opposition. Rabbi K. A. Schneider decodes the Book of Revelation, showing how the end-time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets. You will discover how the Passover foreshadows the great tribulation, and what the Hebrew prophets reveal about the anti-Messiah, Armageddon, hell, the return of the Messiah, the millennial kingdom, heaven, and much more. As the world

grows darker and darker, many people have a sense of impending doom. This book will teach you what to expect during the last days and how to stand firm in Christ even in the face of opposition.

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich

tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

Triumph and Terror: Revelation D the Truth for End Times is a Study Guide appropriate as a resource for Christians of all denominations. The goal of the Study is to strengthen readersO faith and understanding, as well as to challenge and stimulate the thinking of all who seek. It aims to provide a straightforward, uncomplicated narration of our LordOs glorious Revelation. The writing of Triumph and Terror... is presented in a chapter-by-chapter commentary dealing concisely with each and every verse. Comments critical to the readerOs understanding are carefully supported by and referenced to

scripture; moreover, to simplify the reading for young Christians and impatient seekers, quite often the referred scripture is quoted. Seldom does the manuscript allow supposition. The Study is strengthened and enhanced by the inclusion of ten teaching appendices, a ten-page glossary of terms and a brief synopsis at the beginning of each chapter. The approach is intentionally direct and the language written simply so that it is appropriate for the lay reader. Prayerfully, the writer has attempted to coherently unravel the mysteries of the Revelation and clearly present the ideas and themes that are complex and interwoven. The simplicity of the Study responds to a pressing need in both the Christian and secular world: never before has there been such urgent

seeking for answers as to what the future holds for humankind. In some instances, the Study confirms currently accepted theological ideology; however, in other areas it opens discussions never before pursued. It carefully documents, through scripture and historical records, the answers to questions that are as old as Daniel, while opening insight into passages which have generally been avoided by most scholars. Through consistent use of scripture, it informs and challenges teachings that have hitherto been unchallenged.

"Craig Koester provides commentary on each section of the book of Revelation, drawing on the best recent scholarship and contemporizing his discussion with references to events like the siege at

Waco, the phenomenal sales of the Left Behind series, and the use of Revelation in hymnody and art. Based on two decades of teaching Revelation to seminary students, pastors, and lay groups, this discussion strikes a balance between taking the text's first-century context seriously and making Revelation relevant to twenty-first-century readers."--BOOK JACKET.

Unlocking the Mysteries of the End Times WestBow Press

What does Bible prophecy tell us about the time of the end? Are we living in the end time? When will be the end of the world? For thousands of years people have been fascinated with predictions of the end of the world. If we look into the inspired writings of the biblical prophets and apostles, we find many prophecies

that refer to the time of the end. Should we take them seriously? Are world conditions such that these prophecies could be fulfilled in our day? Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared "unless those days were shortened" (Matthew 24:22). Did He have our time in mind? Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God's direct intervention in human affairs. These terrifying prophecies will see their fulfillment at some future time. The crucial question is when. This eye-opening Bible study aid booklet, *Are We Living in the Time of the End?*, examines exactly what Jesus, His apostles and the biblical prophets really said about the intriguing days they

referred to as the time of the end. You need this vital information! Chapters in this ebook: -- Are We Living in the Time of the End? -- What Is the Time of the End? -- A World in Perpetual Crisis -- Noah and Our Time: A Sobering Parallel - - The End of the Age -- The Time of the End: The End of What? -- Biblical Terms for the Coming End of Man's Age -- Jesus Christ's Olivet Prophecy: Where Are We Now? -- Did Jesus Christ Foretell Devastating Storms? -- 'This Generation Will Not Pass' -- The End Time in the Book of Revelation -- The Population Explosion and Prophecy -- God's Framework for End-Time Prophecy -- Preparing for the End Time -- What Can You Do? Inside this Bible Study Aid ebook: "But we should remember that Jesus made it clear that no one could

know the exact time of His return: "... Of that day and hour no one knows, not even the angels of heaven, but My Father only" (Matthew 24:36)." "Some think the subject of the end time in the Bible is mainly confined to the New Testament. But beginning in Genesis, the first book of the Bible, the Scriptures look beyond our present evil age to the time of the establishing of God's Kingdom. Old Testament scriptures have much to say about events that take place during the end of this age and the following "world to come."" "When Scripture mentions "the time of the end" or "the end of the age," it is referring to the coming end of the present evil age. This age—in reality the age of Satan—will draw to an end, replaced by the age of God's rule over and guidance

of all of humanity." "Revelation is a book written to reveal the future, and Jesus Christ is the One who does the revealing...Here is the theme of Revelation—the time of the end of the age and the return of Jesus Christ to establish God's Kingdom on earth." "How should we view prophecy? Can it provide spiritual benefits? The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future (2 Peter 1:19)."

Understanding the Book of Revelation
B&H Publishing Group

The author has made every effort to limit the text in this book to three main categories. The content of this book, he maintains, is either history, prophecy or theology. HISTORY Writings that fall under this heading include historical

facts or findings, scientific data or information, and any other compilation made by man that has been established out of a non-Biblical perspective. This includes any factual information that cannot be substantiated by scripture. PROPHECY This includes all the writings of the prophets, and any text translated out of the original Greek and Hebrew scriptures. This category also includes every scripture quoted verbatim, chapter and verse, from the Bible. THEOLOGY This includes all writings where two or more scriptures have been used to draw a conclusion or when the author renders the interpretation of a particular prophecy or a series of scriptures. This also includes text where the author has theorized to make a point or when the text being read is a paraphrase of

scripture.

Unlocking the Book of Revelation and Applying Its Lessons Today NavPress

The very title of the last book of the Bible means "unveiling." Yet this mysterious and confusing book seems to do anything but unveil, especially when we read it on our own. *Unlocking the Last Days* takes readers through key parts of this misunderstood book, using a verse-by-verse approach that clearly communicates God's truth, warnings, and promises. Both Bible teachers and students will find this book a welcome aid to understanding an intriguing piece of the Scriptures.

Are We Living in the Time of the End? InterVarsity Press

For many years, it has become clear to

me that the prophetic Book of Revelation has been avoided by many Christians to study. Why? Quite simply, it is a real faith tester. To be honest, the amount of symbolism and allegory (hidden meaning) leaves a lot of room for one's imagination. That is why many Christians do not pursue the study of this prophetic last book in the New Testament. This companion book is an attempt to "simplify" End Times events for you. Study the book of Revelation with this book at your side! Did you know that the Book of Revelation is the only book out of the Bible's 66 books that explicitly tells us that we will be blessed by God if we read it, and take it to heart? Most people probably don't realize this. Revelation 1:3 says this: "Blessed is the one who reads the words of this

prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near." "Do you realize that 28% of the Bible was prophetic at the time it was written? Dr. John Walvoord, who has dedicated decades of his life to studying Bible prophecy, has identified more than 1000 prophecies in the Bible, 500 of which already have been fulfilled. The others are yet to come. If God already has fulfilled 500 prophecies, with another 500 yet to unfold--can we trust him when he tells us about days yet to come?"--Tim LaHaye, in "The Merciful God of Prophecy." Verse by verse, I have summarized the book of Revelation into 22 short sections that will be easy for you to follow as you read along with your Bible. Numerous Old Testament

references are noted. I have streamlined the study of eschatology; the study of end times events that have yet to occur in our human timetable. Take heart fellow Christians and enjoy the sobering journey!

REVIEW OF REVELATION A STUDY OF END TIME EVENTS

- Folks, I hold MCSE+I and have

completed all but one of the exams that this book details. Basically I found it outstanding value. It contains the 5 Sybex Exam Notes books in one volume. I got it for 18 here in Ireland where normally each book costs about 22. As regards the content it is detailed enough to pass the exams when supplemented with practise exams and braindumps. I am currently studying for the SQL 7 Admin and using this books in conjunction with it's sister Test Success. The TS book is more exam orientated but this book fleshes out a number of sections nicely. I would give the book 5 stars but you DO need to supplement the book with the dumps in order to grasp the types of questions that M\$ are asking. Best of luck to you guys. Stephen Bowes B.Sc.
