REVIEW OF 100M HURDLE WORKOUTS DRILLS ITCCCA

- I started reading WoT 12 monts ago but i read books 3-7 in the last month, i just couldnt get enough of this series, ive read a lot of good series in my time like Shannara, Memory Sorrow & thorn, Magic of Recluse , Artifacts of power daughter of the empire etc etc etc but none has ever hooked me like this. The first book was good but the 2nd & third slowed a bit AcoS was good but it didnt seem like that much was accomplished. I agree that Robert Jordan put a bit too much emphasis on strong female characters, (not that that detracts greatly from the book but its always nice to have a mix with a few more "vulnerable females" the male lead characters also end up acting the fool too often which is ok early in a series but they should become a lot more mature as it continues and by book 7 they should be a lot further along than Rand, Mat and Perrin are. (this is my own opinion, maybe im more into character development then most people but hey, to each his own).

- this book was great! Can't wait for book 8!! write faster!!
