### **REVIEW OF BRUCE SPRINGSTEEN KEYBOARD SONGBOOK 1973 1980 PIANOVOCALGUITAR**

- if you have a teenager and you're not prepared, this is a good book to learn how not to hurt their sensitive feelings
- He introduces this idea of structure vs. direction of everything in the creation, which is a helpful tool to analyze everything in the world. His point is to look at everything and see if structurally they are within God's good design, and see directionally are they leaning toward God's way or the fallen way. I found this helpful, but there are other things in the book that I don't agree with.
