REVIEW OF ESPLORARE LA VITA VOL UNICO PER GLI IST TECNICI E PROFESSIONALI CON E BOOK CON ESPANSIONE ONLINE

- This was the best book I read all year! I devoured it... I did not want it to end! I did not know much about Sylvester before I read it but felt like I lost an old friend by the time I finished. Naturally, I had

cut the rug to his songs as a young teen and saw his wild costumes as well. However, this book covers his childhood, his struggle to make it big and of course the sad ending that came too soon.

- I was hooked at the first chapter. I had never even heard of this book but bought it at a book sale because it was Scribener's Library edition. There is a purpose for a man's (or woman's life) - to go out and change the world - to find the problems and leave the world better than before. To change one life at a time. How do you teach the children today that they need to wake up to their duty? This man was slaying giants at an early age. Let us teach our children to break out of their Wii cocoons and challenge the world order. Who knows what problems they will solve.
