REVIEW OF MARKETING MANAGEMENT A SOUTH ASIAN PERSPECTIVE 14TH

• A few months ago, I saw this case on "48 Hours." It interested me because I had knowledge about this situation that was not in the program, so I bought the book. Not surprisingly, Schultze is even more biased in the book than he was on the program. Betty: "He [Jack] insisted upon my having affairs." That statement is so outrageous that it is laughable. Betty said that she had rather face execution in the Electric Chair rather than be locked up for life. I find that comical because if she is being honest, she should kill herself. She didn't. Yes, this is yet another outrageous lie by Betty. Betty is a pathological liar. Schultze either "bought into" her lies or isn't being honest in the book. When you buy it, do some independent research. Don't be fooled by Shultze's incredible lack of even basic legal concepts, and don't be fooled by his bias. He doesn't tell the entire story. Lord, they were tried by 2 different juries. Betty's sister wasn't sleeping with whomever she met that day. The defendants were different in many ways. It was Betty's husband that she had killed, not her sister's husband. The trial of Betty's sister and the trial of Betty are two completely different events. Schultze seemingly cannot understand that basic concept. Or, can he? I bet his book sold more copies the way he wrote it rather than it would if he had done his research and reported the truth as unbiased as possible. Could it be that Schultze is more concerned with \$\$ than with the truth? You decide. I already have.

• I read this book along time ago and still remember Sam Elliot doing a fine job in the made for TV Movie. (I hope that they bring it out soon in DVD) This novel captures the inner conflict that all leaders face of mission versus troop. (Taking care of yourself & your career versus getting the job done. Hopefully the little voice in you will make sure that you put career way behind the troops & doing the right thing) Even though the book is now 30+ years old it still has a lot to offer to those willing to listen & learn.
