A Collection of Critical Essays Little, Brown Books for Young Readers

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure.

Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods

and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions

with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of A Curse So Dark and Lonely "Action, adventure, sexiness, and angst! From Blood and Ash has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single

second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for From Blood and Ash, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L.

Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" - BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and

turns, get ready for one amazing adventure." -Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, From Blood And Ash takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry

with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout." -Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with From Blood and Ash. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "From Blood and Ash is

like reading my favorite book for first time." - Raquel Herrera "With From Blood and Ash, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, FB&A draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with From Blood and Ash as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and

romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic.” - Nads Book Nook, Nadine Bergeron “Be prepared to spend your whole day reading From Blood and Ash. Once you start reading this high fantasy novel, you won't want to put it down.” - Love Book Triangle “From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!” - Pia Colon

“From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end.” - Amy Oh, Reader by the Mountains “From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one.” - Tracy Kirby “An intriguing puzzle of a world, a ruthless hero, a determine heroin,

and a plot that will keep you up late, this book is one of the best I've read this year." - Valerie from Stuck In Books "From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!" - Tracey, Books & Other Pursuits

The Graphic Novel The City of Ember

Ever since its first publication in 1992, *The End of History and the Last Man* has provoked controversy and debate. Francis Fukuyama's prescient analysis of religious fundamentalism, politics, scientific progress, ethical codes, and war is as essential for a world fighting fundamentalist terrorists as it was for the end of the Cold War. Now updated with a new afterword, *The*

In the spring 2003, kids, parents, teachers, librarians—whole communities—discovered and fell in love with Jeanne DuPrau's story about a doomed city, and the two children who found a way out. Nearly 10 years later, that story, *The City of Ember*, is a bona fide classic, with over 1.7 million copies sold. Now experience Jeanne DuPrau's vision anew as artist Niklas Asker faithfully brings to life the glare of the lamps, the dinginess of the streets, and the brilliance of the first sunrise.

New York, Los Angeles, and Washington, D.C., have been abandoned. The Bill of Rights has been revoked, and replaced with the Moral Statutes. There are no more police—instead, there are soldiers. There are no more fines for bad behavior—instead, there are arrests, trials, and maybe worse. People who get arrested usually don't come back. Seventeen-year-old Ember Miller is old enough to remember that things weren't always this way. Living with her rebellious single mother, it's hard for her to forget that people weren't always arrested for reading the wrong books or staying out after dark. It's hard to forget that

life in the United States used to be different. Ember has perfected the art of keeping a low profile. She knows how to get the things she needs, like food stamps and hand-me-down clothes, and how to pass the random home inspections by the military. Her life is as close to peaceful as circumstances allow. That is, until her mother is arrested for noncompliance with Article 5 of the Moral Statutes. And one of the arresting officers is none other than Chase Jennings...the only boy Ember has ever loved. Cycling uphill is always hard, and cycling all the way to the summit of a mountain can be excruciating, yet road cyclists from across the world have long embraced the hairpin bends, steep gradients and thin air of mountain roads. This book of 20 cycling climbs from across Europe, the USA and South America offers a glimpse into the allure of reaching the high mountains by bike. Each climb includes a dedicated drawing by Nigel Peake - which can be detached and framed - and a description of the climb, including details of its height, length and gradient. Notorious stories of each climb's inclusion in the great cycling races, such as the Giro d'Italia and

the Tour de France, are also told, as well as tips for following in the tyre tracks of the greats and taking these monsters on yourself. This is a complete guide to 20 legendary cycling climbs and a unique document of the suffering and reward that cyclists seek up in the cols and passes of the mountains.

They endured hardship and deprivation as they fought for their home and ideals - relive the final days of the Army of Northern Virginia. Appomattox:

The Last Days of Robert E. Lee's Army of Northern Virginia encompasses the defense and evacuation of the Confederate capital of Richmond, the horrific combat in the trenches of Petersburg, General Robert E. Lee's withdrawal toward the Carolinas in his forlorn hope of a rendezvous with General Joseph E. Johnston's Army of Tennessee to carry on the fight, the relentless pursuit of Union forces, and the ultimate realization that further resistance against overwhelming odds was futile. The Army of Northern Virginia was the fighting soul of the Confederacy in the Eastern Theater of the Civil War. From its inception, it fought against overwhelming odds. Union forces might have occupied territory, but as long as the Confederate army was active in the field, the rebellion was alive. Through four years of bitter conflict, the Army of Northern Virginia and its longtime commander, General Robert E. Lee, became the stuff of legend. By April 1865, its days were numbered. There are many stories of heroism and sacrifice, both Union and Confederate, during the Civil War, and Robert E. Lee and the Army of Northern Virginia wrote their own epic chapter. Author Michael E. Haskew, a researcher, writer, and editor of many military history subjects for over twenty years, puts the hardship and deprivation suffered by

this Army's soldiers while defending their home and ideals into proper perspective.

REVIEW OF CITY OF EMBER 20

- Frankl seeks to demonstrate that, contrary to our natural inclinations, man finds true meaning in life by not focusing on self.

While it is my personal belief that this is especially true in relationship to God, Frankl demonstrates that it applies not only to the spiritual, but to every aspect of living. Even in the unimaginable conditions common in the German concentration camps of world war II, people survived by focusing on the needs of others or doing some greater good. Fascinating and thoughtful reading.

- Frankl's masterpiece stands out as a diamond in a store where all else is made of cubic zirconium! The majority of this work which chronicles the atrocities of and his horrid experiences in the death camps (a more representative term than "concentration camps")

stand as a testament to the "defiant power of the human spirit." The latter two chapters on the tenets of logotherapy are contained merely for the academically inclined. Moreover, Frankl's experiences validate that "To live is to suffer. To survive is to find meaning in the suffering." Furthermore, his experiences support his infrequently cited "equations of meaning": "Despair=Suffering-Meaning" whereas "Hope=Suffering+Meaning!" This book is a gift to us - a gift to transcend our materialism and actualize our inherent human spirituality. By doing so, Frankl endows us with love and challenges us to discover and actualize our own unique meaning(s) in life.
