## **REVIEW OF CHAPTER 14**

## PUNCTUATION COMMAS WITH INTERRUPTERS

### A

- I own the Llama book, the Camel book, and even the Panther book, and couldn't find all the information I was looking for in these. I ordered this book, and four hours after receiving it, had clear, concise answers to all the questions that I had stockpiled. Found what I was looking for easily in the index, went to the appropriate pages, and not only received an excellent explanation, but sample code to demonstrate the idea as well. This one is definitely going on my primary reference bookshelf!
- As a longtime fan of Dietrich Bonhoeffer

(Cost of Discipleship, Ethics) and Soren Kierkegard, it is refreshing to see someone take their contributions seriously. I especially appreciate the perspective of a more liberal and liberated and libertarian Christian church of divine inclusiveness and celebration of diversity, tolerating what conservative evangelicals brand intolerable. A breath of bracing air into the pathological lungs of the Body of Christ, designed by the Creator to Love not pass judgment on so many things. The only thing worse than religionless Christianity is christianly religiosity. Love is Good. Judgment is Evil. It's that simple.
