REVIEW OF MINE UNTIL DAWN THE FITZGERALD

FAMILY 2 EB WALTERS

- This series is one of the most informative I've found on any topic. Schaff uses copious footnotes and scripture references to back what he says. He has an authoritative knowledge base and has a firm grip on the early church fathers and ancient church documents. The only

complaint I have is that several of the notes in my edition are in Greek, Latin and Hebrew, none of which the typical layman would be well versed in.

- I have got hooked on Kathy Reichs books and was glad I found this one on Amazon. Hardcover new condition and it arrived in just a few days.
