I loved it."—Lev Grossman, author of The Magicians When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. *Book Six of 'The Wheel of Time'* Wheel of Time

From the internationally bestselling author of *Tigana* and *The Lions of Al-Rassan* comes a masterful new novel set in a vivid world evoking early Renaissance Italy and offering an extraordinary cast of

characters whose lives come together through destiny, love, and ambition. In a chamber overlooking the nighttime waterways of a maritime city, a man recalls his youth and the people who shaped his life. Danio Cerra's intelligence won him entry to a renowned school even though he was only the son of a tailor. He took service at the court of a count--and soon learned why that man was known as the Beast. Danio's fate changed the moment he recognized Adria Ripoli as she entered the Beast's chambers one autumn night, intending to kill. Born to power, Adria had chosen, instead of a life of comfort, one of danger--and freedom--which is how she encounters Danio in a perilous time and place. Unforgettable figures share the unfolding story. Among them: a healer determined to defy her expected lot; a charming, frivolous son of immense wealth; a powerful religious leader more decadent than devout; and, affecting all these lives and many more, two larger-than-life mercenary commanders, lifelong adversaries, whose rivalry puts a world in the balance. *A Brightness Long Ago* offers both compelling drama and deeply moving reflections on the nature of memory, the choices we make in life, and the role played by the turning of Fortune's wheel.

### REVIEW OF THE WHEEL OF TIME BOXED SET 1 8 ROBERT JORDAN

- Derrick Jensen's latest, *A LANGUAGE OLDER THAN WORDS*, is one of the most uncomfortable books I've ever read. As such, I suspect it was also highly uncomfortable for him to write. Its poetic use of words and skilled syntax only serve to emphasize, not obscure, the brutal honesty that he puts forth here. The thesis is a simple one: We are killing the world. It's Jensen's rugged, insightful, and raw analysis of how and why we're doing it that makes me shudder when I read it. Having studied many of these themes before (well-written in books like Daniel Quinn's *ISHMAEL*), I've not encountered this subject in a way that touches the nerves that Jensen has managed to tap into. Killing the world, after all, is a horrifying thing, and Jensen exposes the horror by shining a bright light on it and analyzing where it comes from. It's a brave book and a bold statement. And one that will be hated by many, particularly those who have a vested interest in keeping things the way they are. The bottom line is this: if you read this book and find yourself affected by it, there's a chance for all of us. If you read this book and wonder what all the hoo-hah is about, you're too far gone and wrapped up in our cultural ways and vision to ever find your way out. If you read this book and find it threatening to your way of life, then you're the enemy, and you need to reconsider which side of the line you stand on. I can't think of a higher compliment to give a book than to wish that I'd had it within me to write it myself. I wish I had this kind of insight and courage, and I'm grateful that Jensen does.

- I thoroughly enjoyed this book as did the elementary age Sunday school class. We plan to use this idea in our Candlelight service this year.
