The preparations being complete, the two private soldiers stepped aside and each drew away the plank upon which he had been standing. The sergeant turned to the captain, saluted and placed himself immediately behind that officer, who in turn moved apart one pace. These movements left the condemned man and the sergeant standing on the two ends of the same plank, which spanned three of the cross-ties of the bridge. The end upon which the civilian stood almost, but not quite, reached a fourth. This plank had been held in place by the weight of the captain; it was now held by that of the sergeant. At a signal from the former the latter would step aside, the plank would tilt and the condemned man go down between two ties. The arrangement commended itself to his judgement as simple and effective. His face had not been covered nor his eyes bandaged. He looked a moment at his "unsteadfast footing," then let his gaze wander to the swirling water of the stream racing madly beneath his feet. A piece of dancing driftwood caught his attention and his eyes followed it down the current. How slowly it appeared to move! What a sluggish stream! - Taken from "An Occurrence At Owl Creek Bridge. This edition also consists other selected stories written by Ambrose Bierce like "The Affair at Coulter's Notch", "The Eyes of the Panther", "Chickamauga" among others.

An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce.

[An Occurrence at Owl Creek Bridge](#) CreateSpace

A man stood upon a railroad bridge in northern Alabama, looking down into the swift water twenty feet below. The man's hands were behind his back, the wrists bound with a cord. A rope closely encircled his neck. It was attached to a stout cross-timber above his head and the slack fell to the level of his knees. Some loose boards laid upon the ties supporting the rails of the railway supplied a footing for him and his executioners-two private soldiers of the Federal army, directed by a sergeant

who in civil life may have been a deputy sheriff. At a short remove upon the same temporary platform was an officer in the uniform of his rank, armed. He was a captain. A sentinel at each end of the bridge stood with his rifle in the position known as "support," that is to say, vertical in front of the left shoulder, the hammer resting on the forearm thrown straight across the chest—a formal and unnatural position, enforcing an erect carriage of the body. It did not appear to be the duty of these two men to know what was occurring at the center of the bridge; they merely blockaded the two ends of the foot planking that traversed it.

## **REVIEW OF AN OCCURANCE AT OWL CREEK BRIDGE**

- I'm a male, and I read this book in high school. When I first heard the title, you can imagine what I was thinking. Boy, was I wrong. This book is one of the best adventure novels I have ever read. It kept my attention extremely well, and the plot line did not ever disappoint. This is definitely a keeper.
- I have yet to read a book that is so witty, romantic, and packed full with adventure. The courage of the lead man, Westley, is enough to inspire even the weakest, both mentally and physically, of people. Never has a book revolved around love as much as this one does. This book searches inside you for your adventurous spirit and brings it to light. If you feel as if your life is in a slump, this is the book to read.
