REVIEW OF THE MIND OF STRATEGIST ART JAPANESE BUSINESS KENICHI OHMAE

- There are many, many books on "Spirituality, "New Age", "Religious Traditions", etc. Most are informative, but few offer substantial help to the seeker. Mr. Segal's book is one of those few. His words carry an energy that calms and opens, their content offers in-sights and practices which truly are helpful. The presentation is in prose, poetry, sketches by the author, interviews with and by the author, and several photographs. Practitioners of Zen (and others) will find Mr. Segal's rendering of the Ten Oxherding Picutres --both in prose and

sketch -- incredible aids to experiencing the message and guidance they contain. Practitioners of Tibetan Buddhism (and others) will appreciate Mr. Segal's candid interview with Chatral Rinpoche. Followers of the Way of Mr. Gurdjieff will find substantial help throughout the book: in the interviews with Mr.

Segal, reprinted from Parabola Magazine, as well as in his prose, poetry and sketches. Even the photographs of Mr. Segal can stir a higher energy within. A book not to be missed.

- I got this as a gift for my little sister since she needed a small Bible to have with her at Army basic training. She loves it!
