REVIEW OF PRAYER OF CALEB BY ELISHA GOODMAN

- I urge Cornwell to take a break from writing and come back to us w/ a new, fresh story line. Unfortunately, this novel continues the downhill slide of Cornwell's characters. Convince us Cornwell that you still have a story to tell.

- I have been a fan of the Scarpetta novels for years and have read every one. Unfortunately, this one will probably be my last. I couldn't even fight my way through this one. I read over 100 pages of this thing, and nothing happened. I think this character has run its course. It's time to do something else.
