So what are you waiting on? Beginning your 3 Expedition Manual downloading trip today and experience all the advantages and convenience that the electronic world of books has to supply!

### **REVIEW OF 3 EXPEDITION MANUAL**

- I really enjoyed this book. The author is very good at provoking thought while being humorous. Most of the pop culture was relatable to me. I highly recommend this book.
- Klosterman is at his absolute best with "Sex, Drugs and Cocoa

Puffs." I've never been much of a reader. Essentially it has been baseball books, "Animal Farm" and little else. That all changed when I stumbled across SD&CP. I plowed through this book cover-to-cover, absolutely eating up all of the pop-culture references that--for a change--were the same random references I'd been making for years. How often does a book so appropriately praise "Saved by the Bell," "Steve Perry & Journey," and "Britney

Spears" all in one fell swoop?! It just doesn't happen. Since SD&CP, I've read the rest of Klosterman's work and a bunch of books from the same "genre" of modern pop-culture authors. Needless to say this book...in addition to reeking of awesomeness...has opened me up to a whole new world of books. Thanks Chucky K!
