#### **REVIEW OF DAVIS S DRUG GUIDE FOR NURSES 13TH EDITION RAR**

- Excellent book for the first time buyer, a lot of information definitely need to read it twice...
- This book was a very short, but a delicious Dark Hunter book. Val is uptight and doesn't know how to relax and Tabitha can't wait to get him out of his element. And does she! With that aspect only being part of the story, the other part is her family dealing with Val, this is truly one of the better Dark Hunter stories. Oh, and a very dark turn for Squire Nick in this book, I can't believe it! One book closer to Acheron.
