## **REVIEW OF AISC MANUAL OF STEEL CONSTRUCTION**

### **NINTH EDITION**

- I just finished this book which was published in 1973, about 10 years prior to the Pawn of Prophecy, and I can see here what I enjoy from Mr. Eddings' writing - Character Interactions. The suspense of the 'Hunt' is with you the entire book and the turn out is quite surprising. The story is also a little historic taking place about 24 years ago toward the end of Vietnam. I really love the happy endings too. Now, where is Polgaras' book?!!!!

- I'm enjoying the book....only half way through. It is a little tedious at times, seeming to me to be overwritten. I'm anxious to be in the Caribbean, but am still hung up in Bermuda.

I'm hoping that the more fond, fun  
next half contains memories.
