REVIEW OF AAPC EXAM STUDY GUIDE

- Five year old Claire, my great granddaughter, received this as a Valentine present from me. The day Amazon delivered the book, she called up to say that she loved the book, and proceeded to read the entire story to me, with only a little help from her seven year old sister. The girls have always enjoyed the Clifford books, and are so happy that they can now read them "all by myself."
- The beautiful and haunting illustrations of edition of an old tale really add to the story.
