REVIEW OF SADLIER OXFORD VOCABULARY ANSWERS FINAL MASTERY TEST

- Eragon is an exciting fantasy that i can read over and over. Some of the things that make Eragon unique is that it dosent complacate details in the book, like calling a dwarf a dwarf its as simple as that its not called a small person from underground. Some parts in the book make you picture the scene more in your mind which gives a closer experince to the stroyline. Thats why i give this book 5 stars
- A decent book of a varying topic field. Some articles go into a topic deeply, others just go skin deep. After reading it, I wished more topics had been covered in more depth. However, it would have made a bigger book. Enjoyable and recommanded to the avid homebrewer.
