## **REVIEW OF MURRAY SMITH ENGAGING CHARACTERS FICTION EMOTION AND**

- Not the Best but one of the very good science fiction novel I read

- In this book, the author shows what can happen when books are taken away, it is based in a time when original thought is frowned upon and even at times dispised. It shows what could very easily happen whith the way extra reading is frowned upon and those who do it are considered "nerds". Ray Bradbury discribes a time of horror where anything but fact is thought to be evil. Read this book I promise that you will like it.
