REVIEW OF IN A DARK DARK HOUSE BOOK

- Passed the exam on May 22nd with an 833. Of all the study/review guides that I have used for both the MCSE and CNE this book is the BEST. Especially since I have zero Exchange experience. Several of the questions and sinerios that are in the study guide showed up on the test. This book is very easy reading, which really helps alot. With this book along with the Transender Test you should pass this test, but don't take it lightly as there is alot of material to know for this exam. Good luck to all you future MCSE's.

- "Beautifully descriptive, nonstop action novel on the Hindu epic Ramayana, artfully weaving in strong themes on the environment and peace," American Library Association's Booklist.
