REVIEW OF HIGHWAY BRIDGE SUPERSTRUCTURE ENGINEERING LRFD APPROACHES TO DESIGN AND ANALYSIS

- When I decided to start collecting coins again five years ago I heeded the advice I heard from many, 'Buy the book, before you buy the coin' and it has paid off time and again. Douglas Winter, a recognized expert in American Gold coins, and James Halperin have created a book that is a MUST HAVE if you are collecting Carson City Gold coins. Fact filled, informative and up to date, this is a book that is the BEST resource when it comes to Gold coins minted in Carson City. I use it time and time again and never go to a coin show or attend an auction without consulting it first. Bravo Winter and Halperin!

- Enjoyed with my grandkids and purchased this one for cousin who just became grandma of twin boys. Love Mercer Mayer books I buy for gifts a lot this was the third one for the same family.
